Julbo Lifetime Warranty

We have spent over 120 years building quality, performance products and stand behind them 100%. Julbo warranties all its sunglasses and goggles for the lifetime of the product against manufacturing defects in materials and workmanship. At our discretion we will repair or replace the product at no charge. Julbo maintains the sole right to determine what is a manufacturing default or failure.

Scope of Warranty: The warranty will be honored for the lifetime of the product for the original owner. The warranty applies to all types of manufacturing defects and failure. It does not cover sunglasses or goggles that are stolen, lost, dropped, crushed, run over, chewed by human, pet or wild animal or other damage that is caused by the consumer.

Repair Policy: For a fee which will vary dependent on model, Julbo will repair or replace, temples, lenses and frames as needed and available. For more information please email Contact@julgousa.com or call 800-651-0833. For most common models, parts maybe purchased directly from our website, Julgousa.com.

This warranty extends only to residents of the United States.

To speed up your repair, you may include your credit card information in case there is a charge for your repair. See details above. We can also contact you for this information. We will let you know if there is a charge.
