

BOAVISTA

GO FROM SEA TO LAND IN STYLE

reference : 402514

With a wide vision spectrum and ideal protection complete with a unique wrap-around frame construction and untainted vision thanks to the polarized lenses, the Boavista offers comfort and a perfect and secure hold for the adventurous and daring water women at sea, or fashionable women on land!

Technical features

Grip tech

Inserts at stem ends for comfort and hold, does not stick to hair

Curved, wrapping temples

temples shaped and cut for better hold with sharp and repeated movements

Wrap Around +

Wrap around shape for a good vision spectrum and protection

Lenses

SPECTRON 3

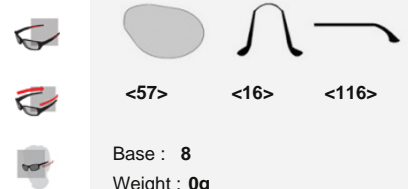

Light but with excellent shock resistance, this versatile lens is suitable for all types of sports activities.

POLARIZED

Polarizing technology : When light rays hit a flat surface (car windscreen, water, snow etc, asphalt etc.) they spread out in all directions.
