Removable Wings

Lateral protection against harsh sunlight

Total Coverage

Maximum protection in extreme conditions against harsh sunlight

removable and adjustable side shields

Lenses

SPECTRON 3

Light but with excellent shock resistance, this versatile lens is suitable for all types of sports activities.

SPECTRON 3 +

Light but with excellent shock resistance, this versatile lens is suitable for all types of sports activities.

> Flash Treatment : improves visible light filtering with mirror effect lenses.

SPECTRON 4

Light but with excellent shock resistance, this versatile lens is suitable for all types of sports activities.

Anti-reflective coating: improves visual comfort by eliminating stray reflections.

Flash finish: improves visible light filtering with mirror effect lenses. It reflects the rays of light and increases the filter effect. It eliminates the radiation reflected by the outer mirrored surface of the lens.
