

For those ladies who explore the summits yet also enjoy the hustle and bustle of urban life, Julbo presents the Monte Rosa. With removable shields, high protection lenses and a curved ergonomic shape, the Monte Rosa offers adaptability, versatility and complete protection.

Technical features

Soft case

Grip tech

Inserts at stem ends for comfort and hold, does not stick to hair

Curved temples

Ergonomic profile to wear sunglasses on face or head

Removable Wings

Lateral protection against harsh sunlight

Total Coverage

Maximum protection in extreme conditions against harsh sunlight

Removable side shields at nose and sides

Lenses

SPECTRON 4

Light but with excellent shock resistance, this versatile lens is suitable for all types of sports activities. Anti-reflective coating: improves visual comfort by eliminating stray reflections.

Flash finish: improves visible light filtering with mirror effect lenses. It reflects the rays of light and increases the filter effect. It eliminates the radiation reflected by the outer mirrored surface of the lens.

CAMEL

Excellent polarization; High protection; High-definition vision; Visual comfort; Rapid activation: the lenses darken quickly to category 4.
