

RACE

HIGH-TECH FOR THE HIGH SEAS

reference : 242923

Navigate with these sunglasses, created by and for the most demanding skippers. The Race was designed to read every wave on the water with polarized lenses, wide vision spectrum and protection against spray. It's also complete with curved and wrapping temples and an adjustable strap. The Race will never leave you behind!

Technical features

Optical clip

Ideal for those who require optical correction and do not wish to wear contact lenses, can be removed if necessary.

Flex Nose

Adjustable nose piece for perfect fit, adherent material for optimal hold in all situations.

Side Venting

Lateral air and humidity evacuation thanks to the lens shape

Flat elastic strap

For good hold on smaller head shapes

Sipe Grip Tech

Supple, sculpted inserts at the stem ends for excellent hold without sticking to hair

Curved, wrapping temples

temples shaped and cut for better hold with sharp and repeated movements

Panoramic lenses

Wide lens surface for broad vision spectrum

panoramic lenses

panoramic lenses for an extra-wide field of vision

natural airflow

natural airflow due to the cut of the lens

Elasticated extra-flat cord

exclusive soft comfort material

exclusive soft comfort material will not get caught in the hair

Supple shock-absorbent insert

Supple shock-absorbent insert, will remain in position on the nose

Elastomer shock-absorber at sides

Elastomer shock-absorber at sides for maximum protection

Lenses

POLARIZED

Polarizing technology : When light rays hit a flat surface (car windscreen, water, snow etc, asphalt etc.) they spread out in all directions.
